Announcement of the **Election** of the Student Parliament (StuPa) and the Student Council Representatives

I hereby announce the election for the Student Parliament (StuPa) and the student council representatives at the European University of Flensburg for the 2026/2027 term. Below is information regarding the election:

Election Deadline

The election deadline is June 15, 2026, at 12:00 p.m. This is an online election. Voting is open from June 8 to June 15 at 12:00 p.m.

Twenty-five members are to be elected to the Student Parliament (StuPa); five representatives are to be elected to the student council bodies. The student body is divided into a total of 37 student councils. The election for the departmental student council representatives is a direct election.

The election of the StuPa is conducted according to the principle of personalized proportional representation. In the case of list candidacies, women and men should be represented in equal proportions; if this is not possible, the gender ratio must at least correspond to the proportion within the membership group. If women and men are not represented in equal proportions, a justification must be provided. This justification must not be of a promotional nature.
